PLACE OF PERFORMANCE:

Bridgetown

DESCRIPTION:

The United States Government's ("USG's") Department of State requires legal services in Bridgetown, Barbados to assist in the acquisition of real property currently leased by the USG ("the Property") from its owner ("the Landlord"). Services required include: (1) document drafting and revising; (2) property title searches and certifications; (3) assistance in obtaining host government approval of the acquisition; and (4) guidance in the acquisition process relating to applicable laws. SAM registration is required pursuant to FAR provision 5.2007, and prospective offers are encouraged to register prior to the submittal of proposals.
